to reschedule it as soon as it is safe to do so. Our priority is and always will be the safety and well being of all of our membership.

END OF SEASON PARTY

We know that many of you are really disappointed that we had to cancel our end of season party and what a party it was going to be. We had many surprises lined up for you but alas the pandemic stopped us in our tracks.

Our secretary has been in constant communication with LFC over the past 3 months and we are also staying up to date with the latest government advice on lockdown and shielding.

Once we get the go ahead to resume normal activities, whatever that normal maybe, rest assured that we will put on the best party the LDSA as ever seen when we celebrate becoming the champions of England after a 30 year wait!

We will keep you fully updated as things progress.

PLEASE NOTE: If you never had the opportunity to send in your nominations for the various awards, we are extending the deadline to 31/7/2020 so please post in your votes.

COMMITTEE ELECTIONS

Now sadly for many of us over the past 3 months, the option to leave our homes was not one that was open to us due to being in lockdown.

Indeed many of us are still shielding so we are still unable to leave the house.

To all in that group we sincerely hope that you are all managing to cope in these most trying of times and we offer you our full support and we would like you to know that all of us on the committee are available at all times if you need to speak to any of us, even if just for a friendly chat.

If you would like us to call you then please just send us an email at ldsa@liverpoofc.com

Meet up with friends for the Everton game on zoom

One of our committee members, Andy Ellis, is working tirelessly throughout the pandemic to keep our website and social media platforms updated and at the same time he is busy being a key worker in the NHS.

The committee would like to take this opportunity to thank Andy for his hard work and dedication to both the LDSA and the NHS.

we will be 3 points nearer being crowned the champions of England!

The idea behind this is to try and reach those in our membership who are at home shielding and could maybe do with seeing and hearing a friendly voice.

It is designed to be a fun event that will hopefully take away some of the worries of what we are living through away, even if it's just for a couple of hours.

If you click the button below that says "zoom" you can set up a free zoom account if you don't have one.

Once you have done that if you then click on the button below you will find all of the information on Andy's zoom event and knowing Andy I am sure that it will be a very enjoyable and fun evening.
