Disabled
Supporters
Association

The LDSA represents and supports all disabled supporters and people who enable them to be supporters of Liverpool FC. Our funding is from membership fees, income from LDSA events and donations. It is our intention to hold an end of season event where we hope to present the winner of our first team player of the year with his award, a Christmas party in one of the lounges at Anfield and a number of other social events throughout the year. The LDSA membership is open to all disabled supporters, their families, carers/personal assistants and costs just £5 per person per annum.
