17th March 2020

For and on behalf of the committee

Dear Member,

This is an update following yesterday's announcement (16/03/2020) made by the Prime Minister that persons aged 70 years and above and also those classed by Public Health England as being in the vulnerable group who are most at risk from **Covid-19 (Coronavirus)** should isolate themselves for a period of up to 12 weeks commencing Saturday 21st March 2020.

It is inevitable that this will now impact upon our end of season party with the event being scheduled within the time frame set out by the government yesterday for this period of self-isolation, especially with us having many members who will be part of these groups.

We now feel that we have no alternative but to postpone the end of season party.

We will refund any member that has already paid for the event and will keep you all fully updated going forward, we believe this is the correct and proper action to take in these extraordinary circumstances.

The health and well-being of our membership will always be our priority and in this unprecedented situation we believe this is the only course of action open to us.

Finally, can we also ask all of our members to look out for one another in this extremely worrying time and if there is anything that the committee can do to assist you please contact us and we will see if we are able to help out in any way that we can.

Please visit our website at liverpoolsa.co.uk for updates.

Please stay safe and listen to the advice from Public Health England.

YNWA

Kind Regards

Ted Morris
Secretary
