Supporters  
Association**

## LDSA SEPTEMBER NEWSLETTER

**Dear Member**

**Welcome to the Liverpool Disabled Supporters Association  
September newsletter.**

**Firstly we hope that you are all keeping safe and well as we  
continue to navigate these most difficult of times.**

**As we embark on our new membership year we would like to**

**We would also like to thank all of you who have renewed your membership for season 2020/2021 your loyalty is never taken for granted and is greatly appreciated by us all.**

**We hope you enjoy our newsletter.**

## **PREMIER LEAGUE TROPHY VIEWING**

**We would like to advise all members that this event is now fully subscribed and the registration process is now closed.**

**All those who registered have been contacted and I am delighted to inform you that over 100 members of the LDSA will be attending this event.**

---

## FANS RETURNING TO ANFIELD

We have continued our discussions with LFC representatives from both ticketing and safety and security groups over the past month and the club will be making an announcement in the very near future.

In what is a very complex situation that changes almost by the hour LFC have engaged with all groups of supporters and in the true values and traditions of this football club they have listened to supporters.

We are no different to other groups of supporters and we only ask that we are treated equally and with fairness, we believe that the club have indeed done that and they have listened to everything that we have put in front of them, be it from the results of our survey or emails that you have sent in.

We look forward to the announcement.

---

## CHRISTMAS PARTY AT ANFIELD

**We are aware that so many of you look forward to our party nights at Anfield and for many of our members the Christmas party is the highlight of the year.**

**In these difficult times none of us know what is around the corner and for many this is the last thing on their minds.**

**However, we have to act in the best interests of our members at all times and we have provisionally booked the 10th December for our Christmas party.**

**If we did not provisionally book a date and things were to change in society in terms of social distancing etc then this would have been remiss of us and we could end up with a situation whereby we are unable to hold our party at Anfield because it was fully booked.**

**There are no costs associated to the LDSA in making a provisional booking and we wait to see what the future brings.**

**We are also looking to book a date for our junior members Christmas party and again we will keep you fully updated as things progress.**

**We will keep you fully updated.**
