MARCH NEWSLETTER

Welcome to the LDSA monthly newsletter

Firstly, we hope that you are all safe and well.

We are finally starting to see some light at the end of the tunnel. Let us all hope that we return to some normality very soon.

Discussions will soon start on fans returning to stadiums, and we are working hard to ensure our disabled supporters are treated equally and fairly. We have already been in contact with LFC to start the dialogue. We will keep you fully updated as things progress.

We are not looking for any special treatment, but do we insist on the same treatment as our non-disabled supporters.

We have been busy in February and in early March, and we will update you on some of these activities.

We will also share some of our plans for the month.

YNWA

RIP The Saint

Sadly today, we lost one of Shankly's finest, the legendary Ian St John, fondly known as The Saint.

Many a story has been told about his flying header in 1965 against Leeds United, a goal that won us the FA Cup for the first time.

A true gentleman who will be sadly missed by all that knew Ian.

GOLDEN WEDDING ANNIVERSARY

We are sure that you would like to join us in wishing our committee member of 17 years and current chairman Tommy and his beautiful wife Mo all the very best as they celebrate their Golden Wedding Anniversary tomorrow. I feel very proud and privileged to call Tommy my friend.

Have a boss day my mate.

#AccessForAll

Yesterday we held a forum to coincide with Level Playing Field Weeks Of Action campaign 2021.

The forum's theme was overcoming adversity through participating in sport and the impact of mental health caused by the pandemic.

We had speakers from the LFC Foundation, Gary Skyner, local comedian and tireless campaigner, Ex-LFC goalkeeper Chris Kirkland and Spencer Bull, Vice Captin of the GB Invictus games team.

The feedback has been amazing, and we look forward to holding another event shortly.

LEVEL PLAYING FIELD WEEKS OF ACTION 2021

We have been using our social media platforms to support the LPF W.O.A campaign 2021.

We work hard to ensure that the voices of our disabled supporters are heard loud and clear, and supporting this campaign helps us get the message out.

GOURMET BURGER HOME COOKING NIGHT

Friday 12th March. We are delighted to announce that this event is being sponsored by the Centre For Access To Football In Europe (CAFE). They have seen the work that we have been doing throughout the pandemic, and due to the unique events that the LDSA has held and the things we have done, they are delighted to support us. Sadly due to the lockdown restrictions and the delivery of fresh produce, this event is geographically restricted.
